Birstwith Village

**Breathtaking scenery
all just a short distance
from Harrogate.**

Birstwith sits proudly within the Nidderdale Valley and is therefore surrounded by panoramic views of vibrant green fields, wildlife and the soothing sounds of the River Nidd.

With spectacular scenery all around, yet just a short drive from the award-winning towns of Harrogate and Pateley Bridge, Birstwith has the best of both worlds.

Village Life

With strong family values at its heart, Birstwith has a real sense of community.

Birstwith is a beautiful village with plenty of walks on its doorstep, including the Nidderdale Way, a 53 mile long route through local villages, towns and landmarks.

The award-winning Station Hotel offers a warm welcome whether stopping for dinner or a drink. The well-stocked village shop provides a raft of local produce and also serves as a post office. With a primary school, church, tennis and cricket clubs, there's a wide range of amenities right outside your door.

Local Area

Everything you need, and the space to enjoy it.

With such a tranquil setting, it's hard to believe the beautiful spa town of Harrogate is only a 6 mile drive away with bars, restaurants, shops and entertainment aplenty. The award-winning market town of Pateley Bridge and all its amenities is just 10 miles away.

Both Leeds and York are within easy commuting distance of under an hour and it's less than three hours on the train to London.

The 33 luxurious family homes which make up West House Gardens are a combination of three, four and five bedroom properties. Much thought has been given to mirroring the sense of peace and tranquility of the surrounding area. Our homes offer high specification and many luxurious touches.

We want you to feel the quality from the moment you walk into one of Newby's homes. At West House Gardens we've paid attention to every detail, because we know that's what makes a home special.

From the stunning Italian porcelain tiles in the hallway and kitchen, to bespoke timber windows and fully tiled Vessini bathrooms, we insist on only the highest quality specifications and a focus on combining beauty with practicality. That's why we've included underfloor heating throughout the ground floor, with some homes benefiting from bifold doors to create even more versatile living space.

Creating the heart of the home with your choice of kitchen.

Variety is the spice of life and we know kitchens can be a very personal preference. That's why at West House Gardens we offer a choice of a traditional handmade and hand-painted kitchen or a bespoke, modern, handleless kitchen, both in a range of colours. Whichever style you choose, it will be fitted with high quality appliances and modern conveniences, so your kitchen can be the heart of your new home.
